President's Report: Mr Clay updated homeowners on the activities of the Board during the past year including improvements and events. The Board continued fiscal discipline and contributions to reserve funds. The Board has been working with City officials to address concerns, and participates in the District 9 Neighborhood Alliance to be involved in issues pertaining to this City district and to maintain contact with the Councilman's office as well as other elected officials. The Board has also maintained contact with SAFFE Officer regarding concerns in the neighborhoods.

Treasurer's Report: Mrs. Agena provided homeowners with a copy of the current balance sheet and provided an overview of the current financial status, which she reported is very strong with sufficient operating funds, strong reserve funds, and no debt. She discussed the importance of reserve funds for future common area and neighborhood major repairs and replacements, and that the Board has been diligent in working toward reserve fund goals. She reminded homeowners that the current budget is posted on the HOA website, and the Board will be finalizing the 2021 budget in November. She also reported that collection of assessments is currently at 97%-100% for 2020 which is impressive considering the economic challenges that were experienced by many during the pandemic.
